## Speech And Writing Contests Announced

by Florence Titiriga

This year as in previous years, our YHS English Department has setup a fine schedule for those who are interested in literary activities. There is everything from orations and declamations to humorous readings and poetry. One of these contests must be for you! These contests with their dates and Judges are listed below. Look them over and I'm sure you'll find two or three that you would like to enter. Don't worry about your not being good enough, let the judges decide that. But do worry about sitting down and taking some time out to enter these contests. There's nothing like a good, healthy spirit of competition, and there's no better way to show it.

Remember to keep this schedule and enter at least one of these contests. You had better hurry though—it's later than you think—Good Luck!

## House Of Magic In Assembly

By Pat Hayes

On January 17 General Electric, backed by the Detroit Edison Company, sponsored an assembly, "The House of Magic". Mr. Kress, Manager of the Ypsilanti Detroit Edison Company, introduced Mr. Ed Dowdle, who began to explain the "House of Magic". He showed the audience interesting scientific experiments. Mr. Dowdle listed three "Keys" that would open the door to the "House of Magic", which in reality is the world of science. These keys were:

- (1) The key of materials to work with
- (2) the key of technique
- (3) the key of trainpower

He also explained the principles of sound and at the end of the assembly told the audience about the great need of more scientists and technicians than ever.

## "What It Was, Was Basketball?"

"You didn't miss the game did you?"

"What game?"

"Why, the Faculty Polio Game."

"You don't mean to tell me that our faculty played a basketball game."

"They sure did. You should have seen that Sitting Bull team that consisted of Mr. Miller, Mr. Binder, Mr. Clark, Mr. Kerr, Mr. Haddick, Mr. Borusch, Mr. Riekels, Mr. Gundrum, and Ardis."

"Who'd they play?"

"The Talking Amazons, namely Mr. Ryneerson, Mr. Hoagland, Mr. Bohn, Mr. Briggs, Mr. Bates, Mr. Lindner, Mr. Buccos, Mr. Taylor and Mr. Bedford."

"I wish I hadn't missed that game."

"Oh! There was more than just the game. Mr. Isbell and Wayne Tye were the officials. Mr. Schimel served as time keeper and Mr. Lee was score keeper. Doc. Sinden and Mr. Heyman took tickets. The Master of Ceremonies was the one and only Mr. T. Lawrence. Topping all this off was a faculty band consisting of Mr. Racine, Mr. Gant, Mr. Wiltse, Mr. Randall and Mr. Joslyn."

This game was sponsored by the polio committee of the Student Council, with Nancy Mott as chairman.

All the money from the game was given to the polio fund.

## "Toyland" Fights Polio

by Kerrill Kaiser

The Teens Against Polio drive came to a grand climax Saturday, February 2, 1957. This was the night of the T.A.P. Sponge Dance, called "Toyland", which was sponsored by the senior division Student Council. Lots of the gals took advantage of this opportunity to ask that "Dream-Guy" to a dance to help lick polio.

You see, all of the proceeds were given to the March of Dimes. The Student Council gave the money for the music, decorations, and other costs for their "T. A. P." contribution.

Everyone enjoyed the unique decorations and wonderful music of Paul Jackson and his orchestra from Eastern Michigan College. It was really a terrific dance which anyone who was there will be sure to tell you.

## Polio Candy Sale A Success

by Merry Montonye

Our candy sale, held Jan. 17, and 18, was a huge success. The whole school went for it in a big way. From the sale we contributed, \$45.32 to the many people that have this disease. Everyone that purchased a sucker probably feels proud that they helped fight polio and is full of hope for its complete cure.

## Plan Clothing Drive

The Junior Division Student Council was asked to conduct the clothing drive for needy families this year. The drive will be held February 4th to February 8th. Bags will be brought to each home room February 4th in which to place the clothing.

Gilbert House

To Have

Dance Band

by Myra Ashby

In a few weeks the Gilbert House under the supervision of Mr. Bedford is going to have something of a treat for all you students that attend this recreation center on Saturday Nights.

A new dance band has been organized and they will take the place of the traditional jutebox. The five musicians in the band are all from Ypsi High, George Bobbit, sax; Tom Hunt, drummer; Dan Cooley, trumpet; Bob Peebles, clarinet; and Joe Vigo a real hot piano player.

Music for the band will be purchased by the City. Although, the boys will choose their own music.

Mr. Gant has worked hard to organize and direct this group. Although he is very busy with many other activities he finds time to help them and give helpful suggestions at practice time.

If the music is enjoyed at the Gilbert House, maybe this will open to the boys many new opportunities to play for other groups and possibly for some of our own school dances.

Everyone watch for the night when this band will make their first appearance at the Gilbert House. You are all certain to enjoy this new idea and also the fine dance music.

SPANISH CLUB

by Kathy Usher

On Tuesday, February 5, 1957, the first year Spanish Club met. Miss Lister gave a talk and showed some of her slides from Uruguay, Chile, Argentine, Brazil, Cuzco, the capital of the Inca Civilization, and Pisaj. Miss Lister traveled to South America to attend the conference of the International Council of Christian Churches. Among her souvenirs are: Peruvian silver, a butterfly-wing tray, and Nanditi lace, which in English means Spider-web lace. Other interesting articles are dolls and mate-cups.

More Gratitude Shown

The following is a letter received by Miss Kokkales expressing the thanks given to students of YHS who sent Christmas gifts to children at the State Hospital. Miss Kokkalas wanted to share it with you.

Dear Miss Kokkales and 8 D's

If it were not for children and people like you the Christmas season could be rather colorless—even sad—for many of the children in our hospital. Though "The State" (as the children refer to it) provides for their actual needs it cannot offer the thrills and excitement brought by the beautiful personal gifts that were heaped under our trees at the school.

Many of the children have never known the genuine joys of family life, but you helped to fill the gap with material expressions of your love for children.

You would feel rewarded if you could have seen and heard them unwrapping their gifts. It was quite a hubbub.

Thank you for caring and giving.

Sincerely,

Mrs. J. K. Potter

BIBLE CLUB

by Carol Mickelson

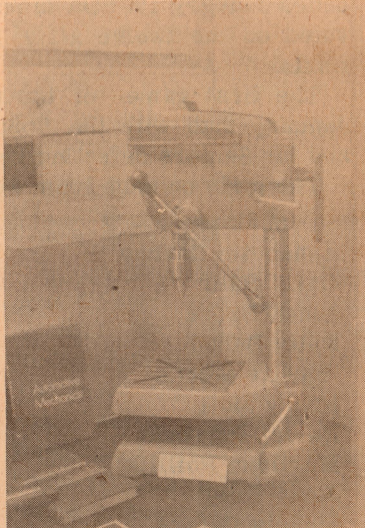

Bible Club was held on January 28, 1957 during the eighth hour in the Audio-Visual room. Seventeen members were present. We opened in prayer and singing choruses. Following, one of the members, Lanny Holt, showed some movies his family had taken during the time they lived in Germany.

Next week we are planning to have discussions on....? You come and find out!

Anyone interested in joining is welcome to attend Monday during the first hour in room 108 or Tuesday during the eighth hour in room 109.

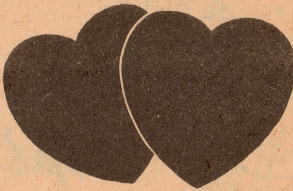

In the 8th hour typing class, the roving photographer got this shot of Annette Brandemill, working very very hard. Don't you think?

Look at what can be made in our machine shop under Mr. Haddick's direction. This drill press was made in the advance class. The actual cost was \$10. The retail value is about \$55.

## Triumph In Overtime

The Ypsi Braves, after losing five games in a row won their first game of the season against defending league champion Edsel Ford in overtime by the score of 62-60. Playing on the Thunderbird's home court at Dearborn, the Braves fell behind at the half by a 29-22 count. But the Purple and Gold came fighting back and Joe Lewis dunked a shot in the last minute of play to tie the game up at the end of regulation play. Then with the crowd screaming on every shot the Black and White quintet and the Braves had the score notched at 60-60, with about 15 seconds left in the overtime period. The YHS courtmen had the ball and with three seconds left pivot-man Lewis again came to the rescur and won the game with a tip-in shot. That made the final score 62-60.

The reserves won their third game of the season with a 33-29 victory over the Thunderbirds in the preliminary tilt. Willie Newell paced the Little Braves with 8 points as Joe Lewis was high man for the varsity game with 28 tallies.

## Railsplitters Win In Tank

The Ypsi Braves were beaten in a league meet with the Lincoln Park tankmen here by the score of 58-38.

Their strength in the free style events was just too much for the Braves despite the fact they won both relays. The only other firsts were taken by Bill Sorrel in diving and Bucky Edwards in the individual medley. The medley team of Pat McCann, Bruce Robb, Bill Scovill were successful as was the free style relay team of Lee Mikesell, Bob Bowles, Jerry Siefker, and Dick Bishop.
